IPSIS
Grans Vins

VARIETIES

Chardonnay

ALCOHOL CONTENT

11.5 %vol.

VINIFICATION

Controlled fermentation at 15°C allows the maximum expression of this variety.

TASTING NOTES

In the three areas in which our Chardonnay grapes are grown, each with its own particular soil and microclimate, the viticulture is adapted to the vine. The characteristics of the land gives the wine a wide range of fruity notes, from citrus to stone fruits and green apples.
